

NUECES COUNTY MEDICAL SOCIETY ALLIANCE

Promoting Medical Professions and Community Health

January 6, 2009

Press Conference - Friday January 9, 2009 1:00 pm at Nueces County Medical Society Office

The Medical Society Executive Board is against the Las Brisas Project proposal and will hold a press conference Friday to express the position. All Alliance members are encouraged to attend to support the Society. After much research on the project Dr. Wes Stafford has spoken against the proposal due to potential airborne pollutants.

Adopt-A-School Gift

NCMSA is pleased to announce we have collected over \$350 to be donated to Smith Elementary to support the Accelerated Reader program in their library.

A presentation will be made to the school at the January PTA meeting. If you would like to increase the contribution, contact Kymberley Oshman

Alliance Yearbook to be mailed soon

We know the Alliance yearbook is a valuable tool. Our calendar of events is inside the front cover. All members contact information is there. The bylaws governing our association are printed there as well

A tremendous amount of work is needed to bring the book to the finish line and deliver it to the printer. Many thanks to Ann Moore and Bridget McKeever for diligently proofreading the first draft. We are happy to announce that the Yearbook will be delivered soon - and in less than 9 months after the last edition!

First Tuesday at The Capitol

Please help spread the word that **First Tuesdays at the Capitol** needs physicians and alliance members from all over Texas, and that it is open to all members and their spouses. If you participated in 2003, 2005, and/or 2007, tell your colleagues what a rewarding experience it was to walk down the halls of the Texas Legislature in your white coat. If you need more registration forms or any other information, call your county medical society or TMA at (800) 880-1300, ext. 1361.
