Dear Physicians,

The Corpus Christi-Nueces County Health District has the Tx. Public Health Information Network (Tx PHIN). We would like to increase our database for ***important public health alerts*** to local physicians and staff. You are an integral part of our surveillance for this county. We do ask that you provide a primary phone number that is not operator or automated intercept. An answering machine phone number is ok.

All of the information you provide to us will be kept in the strictest confidence. If any of your information changes please contact our office.

Thank you in advance for your assistance in this large endeavor.

Sincerely,

Caro-Lynn Trevino

The PHIN is an information dissemination network. You acknowledge that you are subscribing to receive periodic alerts, including system test alerts, via phone, fax, and email. If you choose, you may submit a request to create an actual user account instead.

To create the user account submit a request at the following website:

<https://texphin.dshs.state.tx.us/SignOn.aspx?ReturnUrl=%2fuseradmin.aspx>

* For the county option, please be sure to select Nueces.
Please email your completed form to carolynnt@cctexas.com
Or fax (361) 826-1328.
